POLICY – All Campuses

Copyright, Reference/Circulation Desk

Effective Date: August 12, 2009

Under College Policy AA34 – Copyright the College and its members are expected to comply with all aspects of the Canadian Copyright Modernization Act.

The Library will provide information on the act and its exemptions such as fair dealing and licence agreements on the Library website. Posted information will appear at photocopiers throughout the College.

The Copyright & Public Service Library Technician will assist faculty and students in locating/contacting copyright owners. Please see the Library website or Copyright Subject guide for contact information.

The College has established an agreement with the copyright collective – Access Copyright to provide a license for the photocopying of print materials by College students/staff.
